Founded in 1992, they have members who have dedicated their lives to reaching out to empower youth with confidence, courage and leadership skills to unlock their potential and enrich their lives

### SCOTT JACKSON

Scott Jackson lives in a world built by sounds. A door hinge's squeaky creek, a snare drum's darting snap, a helicopter's chopping blades; these are the intricacies he's made his craft. Internationally renowned as a master of sound Scott Jackson is a beatboxer birthed by hip hop but who stretches the art form's appeal at every turn.

### DJ SERIOUS

Like all good hip-hop, Toronto's DJ Serious has risen from the underground to find success by the light of day. Following up on several acclaimed 12" singles, his critically acclaimed LP, Dim Sum (Audio Research/Headless Heroes/Sound King Records, 2000), a Juno Award, and a European tour, Serious maintains his status as one of Canada's premier Hip-Hop producers.
